AGENCY: Department of Homeland Security.

ACTION: Notice.

SUMMARY: The U.S. Department of Homeland Security (DHS), as the Chair of the Forced Labor Enforcement Task Force (FLETF), announces the publication and availability of the updated Uyghur Forced Labor Prevention Act (UFLPA) Entity List, a consolidated register of the four lists required to be developed and maintained pursuant to the UFLPA, on the DHS UFLPA website. The updated UFLPA Entity List is also published as an appendix to this notice. This update adds three new entities to the UFLPA Entity List, two of which appear on two separate sub-lists.

DATES: This notice announces the publication and availability of the UFLPA Entity List updated as of October 29, 2026, included as an appendix to this notice.

ADDRESSES: Persons seeking additional information on the UFLPA Entity List should email the FLETF at *FLETF.UFLPA.EntityList@hq.dhs.gov.*

FOR FURTHER INFORMATION CONTACT: Samuel Greene, Acting Director, Entity

List Office, Trade and Economic Security, Office of Strategy, Policy, and Plans, DHS. Phone: (202) 891–2331, email: *FLETF.UFLPA.EntityList@hq.dhs.gov.*

SUPPLEMENTARY INFORMATION: The U.S. Department of Homeland Security, on behalf of the Forced Labor Enforcement Task Force (FLETF), is announcing the publication of the updated UFLPA Entity List, a consolidated register of the four lists required to be developed and maintained pursuant to section 2(d)(2)(B) of the Uyghur Forced Labor Prevention Act (Pub. L. 117–78) (UFLPA), to *https://www.dhs.gov/uflpa-entity-list.* The UFLPA Entity List is available as an appendix to this notice. This update adds three entities to the section 2(d)(2)(B)(ii) list of the UFLPA, which identifies entities working with the government of the Xinjiang Uyghur Autonomous Region (Xinjiang or XUAR) to recruit, transport, transfer, harbor or receive forced labor or Uyghurs, Kazakhs, Kyrgyz, or members of other persecuted groups out of Xinjiang. Two of the three entities are also being added to section 2(d)(2)(B)(v) list of the UFLPA, which identifies facilities and entities that source material from Xinjiang or from persons working with the government of Xinjiang or the Xinjiang Production and Construction Corps for purposes of the ''poverty alleviation'' program or the ''pairing-assistance'' program or any other government labor scheme that uses forced labor. Future revisions to the UFLPA Entity List, which may include additions, removals, or technical corrections, will be published to *https://www.dhs.gov/uflpa-entity-list* and in the appendices of future **Federal Register** notices. See appendix 1.

Beginning on June 21, 2022, the UFLPA requires the Commissioner of U.S. Customs and Border Protection to apply a rebuttable presumption that goods mined, produced, or manufactured by entities on the UFLPA Entity List are made with forced labor, and therefore, prohibited from importation into the United States under 19 U.S.C. 1307. *See* section 3(a) of the UFLPA. As the FLETF revises the UFLPA Entity List, including by making additions, removals, or technical corrections, DHS, on its behalf, will post such revisions to the DHS UFLPA website (*https://www.dhs.gov/uflpa-entity-list*) and also publish the revised UFLPA Entity List as an appendix to a **Federal Register** notice.

Background

A. The Forced Labor Enforcement Task Force

Section 741 of the United States-Mexico-Canada Agreement Implementation Act established the FLETF to monitor United States enforcement of the prohibition under section 307 of the Tariff Act of 1930, as amended (19 U.S.C. 1307). *See* 19 U.S.C. 4681. Pursuant to DHS Delegation Order No. 23034, the DHS Under Secretary for Strategy, Policy, and Plans serves as Chair of the FLETF, an interagency task force that includes the Department of Homeland Security, the Office of the U.S. Trade Representative, and the Departments of Labor, State, Justice, the Treasury, and Commerce as member agencies.[1] *See* 19 U.S.C. 4681; Executive Order 13923 (May 15, 2020). In addition, the FLETF includes five observer agencies: the Departments of Energy and Agriculture, the National Security Council, U.S. Customs and Border Protection, and U.S. Immigration and Customs Enforcement Homeland Security Investigations.

B. The Uyghur Forced Labor Prevention Act: Preventing Goods Made With Forced Labor in the People's Republic of China From Being Imported Into the United States

The UFLPA requires, among other things, that the FLETF, in consultation with the Secretary of Commerce and the Director of National Intelligence, develop a strategy (UFLPA section 2(c)) for supporting enforcement of section 307 of the Tariff Act of 1930, to prevent the importation into the United States of goods, wares, articles, and merchandise mined, produced, or manufactured wholly or in part with forced labor in the People's Republic of China. As required by the UFLPA, the *Strategy to Prevent the Importation of Goods Mined, Produced, or Manufactured with Forced Labor in the People's Republic of China,* which was published on the DHS website on June 17, 2022 (*see https://www.dhs.gov/uflpa-strategy*), includes the initial UFLPA Entity List, a consolidated register of the four lists required to be developed and maintained pursuant to the UFLPA. *See* UFLPA section 2(d)(2)(B).

[1] The U.S. Department of Homeland Security, as the FLETF Chair, has the authority to invite representatives from other executive departments and agencies, as appropriate. *See* Executive Order 13923 (May 15, 2020). The U.S. Department of Commerce is a member of the FLETF as invited by the Chair.

C. UFLPA Entity List

The UFLPA Entity List addresses distinct requirements set forth in clauses (i), (ii), (iv), and (v) of section 2(d)(2)(B) of the UFLPA that the FLETF identify and publish the following four lists:

(1) a list of entities in the Xinjiang Uyghur Autonomous Region that mine, produce, or manufacture wholly or in part any goods, wares, articles, and merchandise with forced labor;

(2) a list of entities working with the government of the Xinjiang Uyghur Autonomous Region to recruit, transport, transfer, harbor or receive forced labor or Uyghurs, Kazakhs, Kyrgyz, or members of other persecuted groups out of the Xinjiang Uyghur Autonomous Region;

(3) a list of entities that exported products made by entities in lists 1 and 2 from the People's Republic of China into the United States; and.

(4) a list of facilities and entities, including the Xinjiang Production and Construction Corps, that source material from the Xinjiang Uyghur Autonomous Region or from persons working with the government of Xinjiang or the Xinjiang Production and Construction Corps for purposes of the ''poverty alleviation'' program or the ''pairing-assistance'' program or any other government-labor scheme that uses forced labor.

The UFLPA Entity List is a consolidated register of the above four lists. In accordance with section 3(e) of the UFLPA, effective June 21, 2022, entities on the UFLPA Entity List (listed entities) are subject to the UFLPA's rebuttable presumption that products they produce, wholly or in part, are made with forced labor and prohibited from entry into the United States under 19 U.S.C. 1307. The UFLPA Entity List is provided as appendix 1 to this notice. The UFLPA Entity List should not be interpreted as an exhaustive list of entities engaged in the practices described in clauses (i), (ii), (iv), or (v) of section 2(d)(2)(B) of the UFLPA.

Revisions to the UFLPA Entity List, including all additions, removals, and technical corrections, will be published on the DHS UFLPA website (*https://www.dhs.gov/uflpa-entity-list*) and as an appendix to a notice that will be published in the **Federal Register**. *See* appendix 1. The FLETF will consider future additions to, or removals from, the UFLPA Entity List based on criteria described in clauses (i), (ii), (iv), or (v) of Section 2(d)(2)(B) of the UFLPA. Any FLETF member agency may submit a recommendation(s) to add, remove or make technical corrections to an entry

on the UFLPA Entity List. FLETF member agencies will review and vote on revisions to the UFLPA Entity List accordingly.

Additions to the Entity List

The FLETF will consider future additions to the UFLPA Entity List based on the criteria described in clauses (i), (ii), (iv), or (v) of section 2(d)(2)(B) of the UFLPA. Any FLETF member agency may submit a recommendation to the FLETF Chair to add an entity to the UFLPA Entity List. Following review of the recommendation by the FLETF member agencies, the decision to add an entity to the UFLPA Entity List will be made by majority vote of the FLETF member agencies.

Requests for Removal From the Entity List

Any listed entity may submit a request for removal (removal request) from the UFLPA Entity List along with supporting information to the FLETF Chair at *FLETF.UFLPA.EntityList@hq.dhs.gov.* In the removal request, the entity (or its designated representative) should provide information that demonstrates that the entity no longer meets or does not meet the criteria described in the applicable clause ((i), (ii), (iv), or (v)) of section 2(d)(2)(B) of the UFLPA. The FLETF Chair will refer all such removal requests and supporting information to FLETF member agencies. Upon receipt of the removal request, the FLETF Chair or the Chair's designated representative may contact the entity on behalf of the FLETF with questions on the removal request and may request additional information. Following review of the removal request by the FLETF member agencies, the decision to remove an entity from the UFLPA Entity List will be made by majority vote of the FLETF member agencies.

Listed entities may request a meeting with the FLETF after submitting a removal request in writing to the FLETF Chair at *FLETF.UFLPA.EntityList@hq.dhs.gov.* Following its review of a removal request, the FLETF may accept the meeting request at the conclusion of the review period and, if accepted, will hold the meeting prior to voting on the entity's removal request. The FLETF Chair will advise the entity in writing of the FLETF's decision on its removal request. While the FLETF's decision on a removal request is not appealable, the FLETF will consider new removal requests if accompanied by new information.

Robert T. Law,

Under Secretary, Office of Strategy, Policy, & Plans, U.S. Department of Homeland Security.

Appendix 1

This notice supersedes the UFLPA Entity List published in the **Federal Register** on August 3, 2026 (91 FR 48913). The UFLPA Entity List as of October 29, 2026 is available in this appendix and is published on *https://www.dhs.gov/uflpa-entity-list.* This update adds three entities to section 2(d)(2)(B)(ii) list of the UFLPA, which identifies entities working with the government of the Xinjiang Uyghur Autonomous Region to recruit, transport, transfer, harbor or receive forced labor or Uyghurs, Kazakhs, Kyrgyz, or members of other persecuted groups out of the Xinjiang Uyghur Autonomous Region:

- BGI Genomics Co., Ltd. (also known as BGI Genomics)
- MGI Tech Co., Ltd. (also known as MGI)
- Shenzhen BGI Technology Co., Ltd. (also known as BGI Group; and BGI Holdings)

BGI Genomics Co., Ltd. (also known as BGI Genomics) is located in Shenzhen, Guangdong Province, China. Shenzhen BGI Technology Co., Ltd., also included on the UFLPA Entity List, is the company's controlling shareholder. BGI Genomics' main business includes providing research services, comprehensive solutions for precision medicine testing, and health management services through gene testing, mass spectrometry, bioinformatics analysis, and multimodal intelligent analysis models. The United States Government has reasonable cause to believe, based on specific and articulable information, that BGI Genomics conducts genetic testing in the XUAR alongside the government of the XUAR and as a part of its government initiatives. Such genetic testing is utilized to facilitate the recruitment, transport, transfer, harboring or receiving of forced labor or Uyghurs Kazakhs, Kyrgyz, or members of other persecuted groups out of Xinjiang. The FLETF therefore determined the activities of BGI Genomics satisfy the criterion for addition to the UFLPA Entity List described in section 2(d)(2)(B)(ii).

MGI Tech Co., Ltd. (also known as MGI) is located in Shenzhen, Guangdong Province, China. MGI is under the control of the same ultimate controlling shareholder as Shenzhen BGI Technology Co., Ltd., also included on the UFLPA Entity List. MGI's business activities focus on the research and development, manufacturing, and sales of instruments, reagents, and related products in the field of life science and biotechnology. The United States Government has reasonable cause to believe, based on specific and articulable information, that MGI has provisioned genetic testing capacity to the XUAR government to conduct genetic testing in the XUAR including as a part of its government initiatives. Such genetic testing is utilized to facilitate the recruitment, transport, transfer, harboring or receiving of forced labor or Uyghurs Kazakhs, Kyrgyz, or members of other persecuted groups out of Xinjiang. The FLETF therefore determined the activities of MGI satisfy the criterion for addition to the UFLPA Entity List described in section 2(d)(2)(B)(ii).

Shenzhen BGI Technology Co., Ltd. (also known as BGI Group; and BGI Holdings) is a company located in Shenzhen, Guangdong Province, China. BGI Group is a genomics and biotechnology company that develops and applies genetic sequencing technologies for research, healthcare, and commercial use. It provides DNA, RNA, and metabolomics sequencing technology and can provide services, as well as equipment, technical support, and precision medicine and health solutions. The company also built and manages the China National GeneBank, a national-level biological data and sample repository. The United States Government has reasonable cause to believe, based on specific and articulable information, that BGI Group conduct genetic testing in the XUAR alongside the XUAR government and as a part of its government initiatives. Such genetic testing is utilized to facilitate the recruitment, transport, transfer, harboring or receiving of forced labor or Uyghurs Kazakhs, Kyrgyz, or members of other persecuted groups out of Xinjiang. The FLETF therefore determined the activities of BGI Group satisfy the criterion for addition to the UFLPA Entity List described in section 2(d)(2)(B)(ii).

This update also adds two entities to section 2(d)(2)(B)(v) list of the UFLPA, which identifies facilities and entities that source material from Xinjiang or from persons working with the government of Xinjiang or the Xinjiang Production and Construction Corps for purposes of the ''poverty alleviation'' program or the ''pairing-assistance'' program or any other government labor scheme that uses forced labor:

- BGI Genomics Co., Ltd. (also known as BGI Genomics)
- Shenzhen BGI Technology Co., Ltd. (also known as BGI Group; and BGI Genomics)

BGI Genomics Co., Ltd. (also known as BGI Genomics) is located in Shenzhen, Guangdong Province, China. Shenzhen BGI Technology Co., Ltd., also included on the UFLPA Entity List, is the company's controlling shareholder. BGI Genomics' main business includes providing research services, comprehensive solutions for precision medicine testing, and health management services through gene testing, mass spectrometry, bioinformatics analysis, and multimodal intelligent analysis models. The United States Government has reasonable cause to believe, based on specific and articulable information, that BGI Genomics conducts genetic testing, including on genetic material of plants, animals, and bacterial diseases sourced from the XUAR. The FLETF therefore determined the activities of BGI Genomics satisfy the criterion for addition to the UFLPA Entity List described in section 2(d)(2)(B)(v).

Shenzhen BGI Technology Co., Ltd. (also known as BGI Group; and BGI Holdings) is a company located in Shenzhen, Guangdong Province, China. BGI Group is a genomics and biotechnology company that develops and applies genetic sequencing technologies for research, healthcare, and commercial use. It provides DNA, RNA, and metabolomics sequencing technology and can provide services, as well as equipment, technical support, and precision medicine and health solutions. The company also built and manages the China National GeneBank, a national-level biological data and sample repository. The United States Government has reasonable cause to believe, based on specific and articulable information, that BGI Group conduct genetic testing, including on genetic material of human beings sourced from the XUAR, as well as planning on testing genetic materials of plants and animals. The FLETF therefore determined the activities of BGI Group satisfy the criterion for addition to the UFLPA Entity List described in section 2(d)(2)(B)(v).

The UFLPA Entity List is a consolidated register of the four lists that are required to be developed and maintained pursuant to section 2(d)(2)(B) of the UFLPA. With this update, there are 190 entities that meet the criteria set forth in the four required lists (*see* sections 2(d)(2)(B)(i), (ii), (iv), and (v) of the UFLPA) are specified on the UFLPA Entity List.

A. Overview of Information Collection

Title of Information Collection: Moving to Work Amendment to Consolidated Annual Contributions Contract.

OMB Approval Number: 2577–0294.

Type of Request: Revision of currently approved collection.

Form Number: HUD–50166.

Description of the need for the information and proposed use: The proposed Moving to Work (MTW) Amendment to the Annual Contributions Contract(s) (ACC), signed by HUD and the selected public housing agency (PHA), is necessary for HUD to implement the expansion of the MTW program enacted by Congress in the Consolidated Appropriations Act, 2016 (Pub. L. 114–113, approved December 18, 2015) (2016 Appropriation). It establishes the basic terms and conditions that will apply to new PHAs participating in the MTW demonstration and to existing MTW PHAs seeking to now be governed pursuant to the 2016 Appropriation. Specifically, the MTW ACC Amendment amends any ACCs for the public housing or housing choice voucher programs in effect between the PHA and HUD to establish the PHA's designation as an MTW agency and to operate in accordance with the requirements of the MTW demonstration program, as amended by Public Law 114–113. The MTW ACC Amendment establishes the terms of participation in MTW, including the requirement that the PHA follow the MTW Operations Notice and its respective Selection Notice. The PHAs remain subject to the applicable ACCs to the extent that the provisions thereof are not otherwise waived by the Operations Notice or the applicable MTW Selection Notice. Additionally, the MTW ACC Amendment outlines PHA transition out of the demonstration and HUD termination rights upon PHA default. A copy of the proposed MTW ACC Amendment is published at the end of this notice.
